An exclusive five-bedroom Georgian residence, newly available on the market and accessible only through BMI. Nestled in the historic Garrison Library area, this unique property boasts original period features, five spacious bedrooms, a grand kitchen opening to a private patio, a sizable living room, and three bathrooms. Situated in a tranquil residential zone with a communal garden, it's just a stone's throw from the town centre. Although it requires refurbishment, it qualifies for Cat 2 Residential Status post-upgrade. Included is a rare luxury—a nearby parking space in the heart of town. This rare gem, unfurnished and in need of attention, demands your immediate viewing.
