Type: Country property | Buildings: Main house with 3 units (1–2 bedrooms each) + large warehouse | Pool | Condition: Needs extensive renovation | Location: Rural, minutes from Sotogrande A rural property a few minutes from Sotogrande, with a good amount of space and several buildings. Please note that it needs extensive renovation throughout. What does it include? A main building with a shared entrance and living area on the ground floor, and three units, each with one or two bedrooms, a kitchen and a bathroom. There is also a large warehouse and an outdoor pool area. What could it be used for? Once renovated, and subject to the necessary permits, it could work as a multi-generational family home, rental units or a live-work space, with the warehouse suitable for storage or business use. Who is it suited to? Buyers looking for a renovation project with space, ideally with some experience of rural properties. To arrange a viewing, get in touch with our team. Why Choose BM Sotogrande? We're a boutique, family-run agency that's been part of Sotogrande for over 20 years. We don't try to list everything. Instead, we seek out unique properties with something genuinely special about them, and we take the time to understand what matters to you so we can find the one that truly fits your life. We're here long after the paperwork is signed. That's the BM Sotogrande difference.
