Sotograde Alto | 1,563 m² | Frontline Golf | All Utilities Connected | €395,459 Some opportunities ask you to compromise. This one doesn't. This 1,563 m² residential plot in elevated Sotograde Alto sits frontline to the golf course, neighbours the SO/ Sotograde Spa & Golf Resort and Sotograde International School, and comes with all utilities already connected. The setting is established. The views are unobstructed. What remains is entirely up to you. Build What You Want, Exactly How You Want It With a permitted build of up to 450 m² across two storeys — plus an optional partial third level up to 9.50 m — this plot gives you the freedom to design a genuinely substantial villa with generous garden setbacks on all sides and those golf course views as your permanent backdrop. All connections are in place: water, electricity, telephone, and mains sewage. Your architect can go straight to work.
